Notes: Percentages may not add to 100.0 because of rounding.

Data include convictions for both misdemeanors and felonies.

^a Convicted offense category and type of sentence data are not provided for 2002 due to procedural changes that allowed a large percentage of convictions (felony and misdemeanor) to be incorrectly recorded as "all other offenses"; i.e., "violent," "property," and "drug" offenses were under-recorded and "all other offenses" were over-recorded.

^b The 2003 OBTS file was closed in May 2004 and is considered "preliminary"; the "final" file will be closed in Fall 2004.

¹ The "state institutions" category includes sentences to death, prison, California Rehabilitation Center, and the Youth Authority.

² "Probation" includes straight probation, fine, and other (no sentence given, sentence suspended, and sentence stayed).
